

# World War I COLLECTOR'S MEDAL

We recently discovered a limited supply of World War I 75th Anniversary Commemorative Medals commissioned by the First Division Museum at Cantigny, Illinois, to honor veterans in 1993. We are making these collector items available to our members for only **\$18 each** (\$12 per medal plus \$6 shipping for the first medal, and \$2 shipping per additional medal).

These beautiful 1.25-inch round antiqued bronze medals come in a handsome presentation case. The medal is attached to a rainbow ribbon in a pattern reminiscent of the victory ribbon of WWI.

The obverse side shows winged victory and the words "75th Anniversary – World War I" while the reverse reads "A Grateful Nation Remembers, 1918-1993 – They Came on the Wings of Eagles".
